The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.UHCCommunityPlan.com or you can call Customer Service for help. About this plan.

UnitedHealthcare Dual Complete® RP (Regional PPO D-SNP) is a Medicare Advantage RPPO plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

This plan is a Dual Eligible Special Needs Plan (D-SNP) for people who have both Medicare and Medicaid. How much Medicaid covers depends on your income, resources and other factors. Some people get full Medicaid benefits. Some only get help to pay for certain Medicare costs, which may include premiums, deductibles, coinsurance, or copays.

You can enroll in this plan if you are in one of these Medicaid categories:

- Qualified Medicare Beneficiary Plus (QMB+):** You get Medicaid coverage of Medicare cost-share and are also eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayment amounts. You pay nothing, except for Part D prescription drug copays.
- Qualified Medicare Beneficiary (QMB):** You get Medicaid coverage of Medicare cost-share but are not eligible for full Medicaid benefits. Medicaid pays your Part A and Part B premiums, deductibles, coinsurance and copayment amounts only. You pay nothing, except for Part D prescription drug copays.
- Qualified Disabled and Working Individual (QDWI):** Medicaid pays your Part A premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. There may be some services that do not have a member cost share amount.
- Qualifying Individual (QI):** Medicaid pays your part B premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. You pay the cost share amounts listed in the chart below. There may be some services that do not have a member cost share amount.
- Specified Low-Income Medicare Beneficiary (SLMB+):** Medicaid pays your Part B premium and provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from your state Medicaid agency in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

- **Specified Low-Income Medicare Beneficiary (SLMB):** Medicaid pays your Part B premium only. The State Medicaid Office does not pay your cost-share. You do not have full Medicaid benefits. There may be some services that do not have a member cost share amount.
- **Full Benefits Dual Eligible (FBDE):** Medicaid may provide limited assistance with Medicare cost-sharing. Medicaid also provides full Medicaid benefits. You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the State Medicaid Office in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

Our service area includes **Florida**.

Use network providers and pharmacies.

UnitedHealthcare Dual Complete® RP (Regional PPO D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. With this plan, you have the freedom to see any provider nationwide that accepts Medicare. Plus, you have the flexibility to access a network of local providers. You may pay a higher copay or coinsurance when you see an out-of-network provider. When looking at the following charts you'll see the cost differences for network vs. out-of-network care and services. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to www.UHCCommunityPlan.com to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

Plan Deductible

Your plan has a deductible for certain services. The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover.

The deductible applies to the following Medicare-covered benefit categories, unless otherwise specified.

Annual Medical Deductible

Your deductible is \$198 per year for covered medical services you receive from providers as described below. Until you have paid the deductible amount, you must pay the full cost of your covered medical services.

Here's how it works:

1. You pay your plan's deductible in full; then,
2. You pay your copay or coinsurance; finally,
3. Your plan pays the rest.

The deductible applies in and out-of-network to the following Medicare-covered benefit categories, unless otherwise specified:

Medicaid Benefits

Information for people with Medicare and Medicaid. Your services are paid first by Medicare and then by Medicaid.

The benefits described below are covered by Medicaid. You can see what Florida Medicaid Agency for Health Care Administration (AHCA) covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage.

Benefits marked with an asterisk (*) may not be available to all enrollees. Payment of Medicare cost-share amounts may be available to enrollees in Medicaid QMB, QMB+, and FBDE categories.

Coverage of the Medicaid services described below depends upon your level of Medicaid eligibility and must be provided by a Medicaid provider. If you have questions about your Medicaid eligibility, call Florida Medicaid Agency for Health Care Administration (AHCA), 1-888-419-3456.

Medicaid may pay your Medicare cost sharing amount, but it will depend on your Medicaid eligibility level. If Medicare doesn't cover a service or a benefit has run out, Medicaid may help, in accordance with the cost sharing below.

Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the Benefits

- ✓ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Call us or go online to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network.
- ✓ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ✓ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium unless your Part B premium is paid for you by Medicaid or another third party. This premium is normally taken out of your Social Security check each month.
- ✓ Benefits, premiums and/or copays/coinsurance may change on January 1 of each year.
- ✓ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.
- ✓ This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Required Information

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a contract with the State Medicaid Program. Enrollment in the plan depends on the plan's contract renewal with Medicare. This plan is available to anyone who has both Medical Assistance from the State and Medicare.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
